

Busy Improving

The Journey to Hope, Health and Healing remains committed to continually improving quality of services provided to persons served and their families as well as focusing on customer service and excellent service outcomes.

The Journey is proud of its 2019 achievements.

In October 2019 The Journey to Hope, Health and Healing renewed its Two-Year State Licensure through RI BHDDH for all four sites.

In November 2019, The Journey to Hope, Health and Healing was awarded with Three Year CARF Accreditation for all four sites. CARF Accreditation signifies a seal of approval and assurance that our organization meets and applies internationally recognized Standards of care.

All staff members at The Journey remain dedicated to the pursuit of providing the very best care and evidence-based practices in a person served centered treatment model and facility.
